Notes from the President

September is here. It's showtime! We are ready for our 52nd annual show. The response from our members to help at the show is heartwarming. We still have need volunteers each day for our later shifts if anyone will be able to help us it will be appreciated.

We will have demonstrations on Friday by our extreme beaders. Saturday and Sunday Steve Laut, the flintknapper, will be demonstrating his knapping skills.

We are doing something new this year at the show. We will feature an artist in our "Artist Alley". This year it is my pleasure to announce it will be Harriet Nearing. She is a nationally known artist who has won many awards. Her main medium is enameling. She has taught enameling classes at TGRC and is currently teaching classes at the Toledo Museum of Art. Be sure to visit the "Artist Alley" display. Give us your nomination for an artist we should feature in next year's "Artist Alley". There are many local talented artists in this area. We would like to put a spotlight on them.

See you at the show!
Diane Bieber
President

Make Your Own Pendant

Metal crafter moderator Michelle will have a Make Your First Pendant class on October 7th from noon to 3pm. Class size is limited. You must reserve a place in the class. This is an important class for anyone that wants to learn metal crafting. You will learn the proper techniques for soldering and working with metal and cabochons.
