The Rocky Reader

Vol. 62 Issue 2 February 2024

Message from the President

February is here. We are halfway through winter! Soon enough we will be able to go out and do one of our favorite things, be a rockhound and look for rocks for our collection.

The auction at the January meeting was a rousing success. Also at the meeting, we had a discussion about the bylaws for TGRC. They have not been updated since we moved to our current location.

There will be a by-laws meeting on Thursday, February 8th at 6:30pm to make necessary revisions. Anyone is welcome to attend.

With a heavy heart we remember Lee Floyd who recently passed away. He was a member for nearly twenty years. He worked very hard for the club until health reasons caused him to slow down. Thank you, Floyd, for all you did for TGRC.

Happy Valentine's Day!

Diane Bieber President

Make Your First Pendant

Sunday March 3, 2024 11 am – 3 pm

Students will learn how to cut metal, make a bezel and back plate, solder, polish and set a stone. There are two parts to this class; the first three- hour session is scheduled by contacting instructor Michelle Grigore at mgrigoretgrh@gmail.com at least a week before the above date. Members pay \$45, non-members \$55.

All materials provided to complete a small sterling silver pendant with a polished gemstone cabochon.

Unleash Your Creativity: Exploring the Art of Metal Crafting! Toledo Gem and Rockhound Club

Hello fellow members of the Toledo Gem and Rockhound club! As we dive into the month of February, we are excited to introduce you to the captivating world of metal crafting. This ancient art form allows us to shape and mold metal into stunning creations that showcase our creativity and passion for all things rocks and minerals.

Metal crafting has a rich history dating back thousands of years, with various techniques and styles developed by different cultures around the world. Today, it is a versatile and vibrant craft that offers endless possibilities for self-expression. Whether you are a seasoned metal crafter or a beginner eager to learn, this article aims to inspire and guide you on your metal crafting journey.

1. Tools and Materials:

To embark on your metal crafting adventure, you will need a few essential tools and materials. These may include a jeweler's saw, files, hammers, pliers, a soldering iron, and various metals such as copper, silver, brass, or even aluminum.

You can find the tools for use at Toledo Gem & Rockhound club. The metals are found with online suppliers such as Riogrande.com

2. Basic Techniques:

Metal crafting encompasses a wide range of techniques, each offering a unique approach to shaping and manipulating metals. Some popular techniques include:

- Metal Stamping: This technique involves using metal stamps to create intricate designs or patterns on metal surfaces. It is a great way to personalize jewelry or decorative items.
- Wire Wrapping: By bending and twisting wire, you can create beautiful jewelry pieces or decorative accents. This technique allows for endless creativity and experimentation.
- Soldering: Soldering involves joining metal pieces together using a soldering iron and solder. It is an essential skill for creating intricate metal designs

Metal Crafting continued

3. Project Ideas:

Now that you have an idea of the tools and techniques involved in metal crafting, let's explore some exciting project ideas:

- Customized Jewelry: Design and create unique earrings, necklaces, bracelets, or rings using your favorite gemstones and metalwork techniques.
- Lapidary Metalwork: Combine your love for gemstones with metal crafting by setting polished stones into custom-made pendants, brooches, or keychains.

4. Learning Resources:

If you're eager to explore metal crafting further, there are numerous resources available to help you develop your skills. Consider joining our workshops or classes. Additionally, online tutorials, books, and forums dedicated to metal crafting can provide valuable guidance and inspiration.

Remember, metal crafting is a journey of exploration and self-expression. Don't be afraid to experiment, make mistakes, and let your creativity flow. The Toledo Gem and Rockhound club is a supportive community, so feel free to share your creations, ask questions, and seek advice from fellow members.

We hope this article has sparked your interest in the captivating art of metal crafting. Embrace this wonderful craft and let it take your love for rocks and minerals to new heights. Stay tuned for next month's newsletter featuring Gem Crafters.

Monthly General Meeting:

Mark your calendars because our Annual General Meeting is scheduled for **Wednesday, February 21, starting 7:00 PM** at the Toledo Gem and Rockhound Center. This is your chance to discuss club matters, voice your opinions, and participate in the club's decision-making. We encourage all members to join us!

Dear members of the Toledo Gem and Rockhound Club,

I hope this message finds you well. I wanted to kindly remind you that the dues for the Toledo Gem and Rockhound Club were due on January 1, 2024.

As a recent update, we have made the decision to align our fiscal year with the calendar year starting in 2024. This change aims to provide a more convenient and streamlined membership experience for everyone involved.

We kindly ask you to update your membership form with the appropriate membership dues that now apply for this calendar year.

By paying your dues promptly, you not only continue to support our fantastic club but also ensure you have access to a wealth of educational resources, exciting events, and the camaraderie of fellow gem and rock enthusiasts.

We sincerely appreciate your commitment to the Toledo Gem and Rockhound Club and look forward to another amazing year of exploring, learning, and sharing our passion for gems and rocks. If you have any questions or need further assistance, please do not hesitate to reach out to our dedicated team.

Thank you for your attention to this matter, and we hope to continue this beautiful journey together.

Warmest regards,

Steve Stalker Board Treasurer
